Directions

Dice your chicken breasts into 1 inch cubes. Melt the coconut oil in a large skillet over medium heat. Add in the chicken and saute until cooked through and browned (about 10 minutes).

Meanwhile, in a small sauce pan stir together the chicken broth, garlic, orange zest, orange juice, molasses, tamari and red pepper flakes. Bring to a boil, then reduce to a simmer. Simmer for 10 minutes, then pour it into the skillet over the cooked chicken. Mix well to coat and let simmer while you prepare the rest.

3 Lightly steam your broccoli then toss in olive oil and sea salt and black pepper to taste.

Turn the heat off of the chicken (the sauce should be cooked down and thickened by now. If it isn't, simmer a bit longer). Divide the broccoli between bowls and top with the orange chicken. Sprinkle with sesame seeds and serve. Enjoy!

Directions

Preheat oven to 410°F (210°C). Place your diced red pepper, red onion and cherry tomatoes together in a mixing bowl and toss with a splash of extra virgin olive oil. Season with sea salt and pepper. Line a baking sheet with parchment paper and spread veggies across evenly. Bake in the oven for 30 minutes.

Meanwhile, place your quinoa in a saucepan with the water. Place over high heat and bring to a boil. Once boiling, reduce to a simmer and cover. Let simmer for 12 minutes or until all the water has been absorbed. Remove from heat, fluff with a fork and set aside.

Next make your pesto by combining basil, half of the spinach, lemon juice, sunflower seeds, olive oil, tamari and garlic cloves in a food processor. Blend until a creamy consistency forms.

Remove vegetables from oven and place back in the mixing bowl. Add the black olives and toss well.

Gather your mason jars. Place a few spoonfuls of quinoa in the bottom of each jar. Next add a spoonful or two of pesto. Then layer in the roasted veggies. Finish each jar by packing it with spinach. Shake and dump into a bowl when ready to enjoy!
